**To Whomever It is Using the Following Email Addresses
mariambrewer2015@yahoo.com and dlewis5515@gmail.com**

Attached is an application that I just made to get information related to these email addresses and specifically to identify the names and IP addresses of the persons / entities who are behind the email addresses mariambrewer2015@yahoo.com and dlewis@gmail.com including personal identifying details, such as name, physical addresses, phone numbers and other contact information of person / entities that operated those email addresses used in the commission of a "Nigerian Type Internet & Bank Fraud" and which emails were used to solicit Applicant and his partners and predecessors into making wire transfers

In the event, you have any opposition to the request, you should file your opposition with the Court and perhaps consider retaining a lawyer to represent you and put in whatever opposition as you may have to the Application.

If you want to make things easier, and agree to disclosing the requested information, I can prepare a Stipulation in which you agree to the production of information so that it can be filed with the Court.

Ed Fagan

PS Please note that I will be making other applications including as related to The Brewers and their lawyers who appear to have interfered with the efforts to repatriate the inheritance monies and who received monies from Mr. Quigley, Mr. Daneluk and others.
